

EXTRACURRICULAR ACTIVITIES

Participation in extracurricular activities is a privilege and carries certain responsibilities. Each participant is a representative of our school. Therefore, his or her attitude and behavior should demonstrate proper Christian values.

1. A member of a team or club has an obligation to its group and is to be present at all activities unless ill or excused by the coach or administration.
2. Academic eligibility will be monitored by teachers and administration. Students who fail to maintain a "C" average may be excluded from participation.
3. Students must attend classes all day on the day of any game or practice if they are to participate.
4. All students must have an annual physical examination to be eligible for sports.

SCHOOL FIELD TRIPS

Field trips are a great educational tool that allow the faculty to teach students through hands on, shared experiences. Thorough planning and supervision result in safe, smoothly run trips that become a meaningful experience for all involved. Parents are encouraged not to use field trips as disciplinary measures; the field trips are solely designed to reward and invigorate students. Often parents are needed as chaperones and drivers. They are always welcome. It is required, however, that all parents participating in school trips follow all rules of the school, including the dress code, conduct guidelines, and abstinence from the use of tobacco, alcohol and improper language. Parents will be notified of trips in advance and must sign a permission slip for their student to go on the trip. Students are often required to have special dress instruction for particular field trips.

SCHOOL CLOSINGS

Unexpected school closings due to inclement weather conditions will follow the decision of the administration of Carmel Christian Academy. The following radio stations and TV channels will announce this information:

WTVR CHANNEL 6 TV (continued)
WRIC CHANNEL 8 TV
WWBT CHANNEL 12 TV

Stations will announce closings only. If our school is not named, we will be open.
