

PARENTAL INVOLVEMENT

Communication between parents and faculty/administration is welcomed and encouraged as follows:

Parent Orientation: To be scheduled prior to the start of the school year at 7:00 P.M.

Parent Conference: Held with the student's teacher after each quarter if requested by either parent or teacher. Additional conferences may be scheduled upon request. Both parents are expected to attend this conference.

Room Mothers/Fathers: Parents who wish to assist with class parties, field trips, special projects, etc.

Fund-Raising Projects: Parents are asked to help students with special fund-raising projects. These projects help to keep tuition costs low. If you do not wish to participate in fund-raising, we ask a donation of \$200.00 to help keep tuition costs lower.

Athletic Events: Parents are encouraged to attend games and support our teams. Parents are asked to join our Booster's Club to help our teams.

Field trips: Because of the lack of a school bus, parent assistance is often required for field trips. These can be very memorable and enjoyable times with your child. We encourage you to participate.

Carmel Christian Academy receives no underwriting, neither state nor federal funding, nor assistance from any organization. Teachers' salaries, operating costs, and expenses are paid solely by tuition, fund-raising, and designated gifts from parents and friends. We appreciate any assistance our parents can provide in making these efforts fruitful.
